SeaPort-e

Harnessing Power, Navigating Change...

Mr. Bob Rumberger
Contracts Director
NAVAIR Orlando TSD

Virtual SYSCOM (VS)

- Collaborating on the implementation of cost-effective, integrated business and technical practices to better support the Navy
- Cost reduction of 3-5% of the total obligation authority

Solution

- Expand existing nationwide SeaPort-e Multiple Award Contracts (MAC) to include all VS members as ordering officers
- Rolling admissions for MAC prime contractors
  - Preserve local vendor base
  - Enhance small business opportunities

Details

- Not a schedule program
- Provides each MAC holder a Fair Opportunity to be considered
  - All MAC holders in the applicable geographic zone are automatically notifies of solicitations via e-mail
- All Orders solicited and awarded through a web-based portal

Some more details

- 151 MAC contractors, 103 SB (^)
- Florida (zone 4) – 52 SB 39 LB (^)
- 503 New contracts awarded May 31, 2005
- Seven zones
- TO competed by zone where preponderance of work is to be performed among vendors that meet zone and functional area requirements
- O-Conus competed in ordering zone
- Contractors approved for zones and functional area based on RFP

Current Capabilities

22 Total Functional Areas on SeaPort-e – TSD plans to utilize 8

- 3.1 Research and Development Support
- 3.2 Engineering, System Engineering and Process Engineering Support
- 3.5 System Design Documentation and Technical Data Support
- 3.6 Software Engineering, Development, Programming and Network Support
- 3.8 Human Factors, Performance and Usability Engineering Support
- 3.16 Acquisition Logistics Support
- 3.18 Training Support
- 3.20 Program Support
